

PERSONNEL CIRCULAR

SUBJECT: BEWARE OF STRANGERS

DATE: November 12, 2014

Several news on abduction incidents in Makati and Quezon City have been reported through television, radio and online.

Reports describe harmless, decent-looking man or men, pretending to be lost and asking for information (e.g., time, direction), would cause young students and professionals to lose consciousness. Personal belongings would be taken, leaving the victim in a different area. Incidents took place during day time.

Be advised to stay alert and aware of surroundings at all times and take extra caution in responding to strangers.

May the spirit of God protect us and guide us.
