SUBJECT : ENCOURAGEMENT LETTERS AND DONATIONS FOR THE MARAWI
WAR VICTIMS AND SOLDIERS

Grace and Peace to you from our Lord Jesus Christ.

We are thankful to the Lord that He has allowed us to enjoy peace and protection in our own homes here in Metro Manila. However, thousands of our fellow Filipinos in Marawi City are still suffering from the result of the war brought about by the attack of ISIS. They are left homeless, hungry, and afraid.

We would like to respond to God's call of reaching out and helping our fellow Filipinos affected by the said catastrophe. We would like to invite you to:

1) write a letter of encouragement to the soldiers who are selflessly fighting the ISIS in this city. Letters will be forwarded to Ms. Mary Ann Wong on or before August 18, 2017 to be included in the JEC Marawi Care Boxes. Letter is to be written in Filipino language. For the "signature" part in the letter, please use "ang iyong kapwa Filipino sa Maynila".

2) give cash donation. Cash donation will be forwarded to Philippine Relief and Development Services (PHILRADS), a non-government organization (NGO), under the Philippine Council of Evangelical Churches (PCEC). Cash donations are preferred so PHILRADS can purchase needed items that are culturally and religiously friendly to the people in Marawi City. Please forward your cash donations to the Finance Office, E. Rodriguez Campus from August 16 to 31, 2017.

Please see attached PHILRADS profile.

"The one who is gracious to the poor lends to the LORD, and the LORD will repay him for his good deed". Proverbs 19:17

Thank you and God bless you.

The **Philippine Relief and Development Services (PHILRADS)** works hand in hand in the with local churches in holistic ministries for the poor and needy, to enable them to become all God intends them to be. The ministry responds to the emergency needs of disaster, victims, provides assistance fort their rehabilitation, provide assistance fort heir rehabilitation, carries out community development projects, and conducts disaster management seminars for local churches and communities.

In 1980, PHILRADS was established to be the relief and development arm of PCEC to actualize our mandate of serving the poor and the needy in the Philippines; through our local churches. Our churches are uniquely placed in their communities as visible expressions of God’s Kingdom here on earth. They are to be the light of this world and salts of the earth. Their ministry should therefore be holistic, that it fulfilling the total needs of man – whether spiritual, social or physical.

VISION

PHILRADS through its holistic approach to ministry envisions to help bring about God’s vision of a new society, where there is no poor, where there is peace, justice and righteousness; and freedom to worship God, where Christ is Lord of all.

MISSION

To enable and equip local evangelical churches to do holistic ministry for the poor and the needy in order that they become all that God intends them to be.

MINISTRY SERVICES

Disaster Preparedness and Response

PHILRADS prepares and responds to disasters and calamities by equipping local churches with technical expertise on disaster prevention, mitigation, preparedness and response, and providing counterpart resources for relief operation.

Rehabilitation Programs

PHILRADS followsup its relief response through housing, livelihood, medical, and other assistance to disaster victims to facilitate recovery and restoration to pre-disaster condition.

Community Development

PHILRADS moves beyond relief to development. It puts premium in implementing sustainable development programs, including long term poverty alleviation projects in depressed or disaster-stricken communities.

Leadership and Institutional Development

PHILRADS strengthens local churches as partners in holistic ministry. It trains and equips local people on organizing and leadership building. It develops and strengthens community-based organizations into strong and functioning institutions.

Research

PHILRADS provides evangelicals with data-base information on needs of churches and status of their ministry with respect to meeting total needs of people. It documents projects and programs implementation to record significant learning on their content, process and impact. It also provides information on current trends in the socio-political and economic situation of the nation.
