PERSONNEL CIRCULAR

SUBJECT : INTERNATIONAL TRAVEL BENEFIT SURVEY
DATE : September 04, 2018

A pleasant day to you!

In line with our School's commitment to broaden our personnel global exposure, the School will organize local and international trip on a four year cycle.

During the Personnel Assembly, it was announced that our first international trip is in Israel slated in December 2018, however, due to cost constraint, this will not push through this year.

With this, we would like to invite you to complete the online survey at <https://goo.gl/AEoXsC> for our international trip, School Year 2018- 2019 by September 10, 2018.

We thank you for your cooperation.
