SUBJECT : COMMUNITY CARE TYPOON USMAN DONATION

Grace and Peace to you from our Lord Jesus Christ.

A Blessed New Year to everyone! Hoping that all of you had a wonderful time with your family and loved ones during the Christmas Break.

Last December 26, 2018, Tropical Depression “Usman” affected the Bicol region, Oriental Mindoro and Isabela. (media.philstar.com 12/30/18)

Philippines Relief and Development Services (PHILRADS) is currently coordinating with local church partners to distribute relief goods to 580 affected families in Sagnay and Tiwi towns. It plans to distribute relief goods to more areas.

In our School’s continual effort to show love and compassion to our Filipino brethren who are in dire need, we would like to solicit your help through cash and in-kind donations (e.g., five-gallon water container with faucet, mineral water, food sealed in easy open packs or cans, rice, groceries, mineral water, clothes, slippers, beddings and toiletries).

For your in-kind donation, you may place them in the designated boxes in front of our Preschool office in E. Rodriguez Campus and /or Elementary office in Doña Hemady campus during arrival and dismissal time, from January 14 to February 1, 2019. For cash donations, please forward it to the Finance office in E. Rodriguez Campus or Bookstore in Doña Hemady Campus from 8:00 AM to 11:00 AM.

We will be partnering with Philippines Relief and Development Services (PHILRADS) under the Philippine Council of Evangelical Churches (PCEC) and they will also help us distribute your donation to flood victims and survivors. (<http://www.philrads.org>)

Hebrews 6:10 says, “God...will not forget your work and the love you have shown Him as you have helped his people and continue to help them”. May God bless your generosity.

Thank you for partnering with us in our endeavour to serve in this time of crisis. God bless you and your family.
